

PREPARING YOUR FAMILY FOR EMERGENCIES - THE ESSENTIALS

Home Family & Relationships Family Life Preparing Your Family for Emergencies

Military families are stationed all over the world and may not always have family nearby to help when disaster strikes. No one wants to think about worst case scenarios; however, you'll have peace of mind when you take the time to create an emergency plan for your family.

Military OneSource gives you guidance on what you need to know to prepare for any kind of emergency. Follow these important steps:

Create a family emergency plan.

Planning for the unexpected begins with the whole family talking about what to do in an emergency. We can supplement your good start with tips and ways to efficiently create an emergency plan so you and your family are prepared should a crisis hit.
